Beautiful Nails, Healthy Nails

Discover the doctor-formulated, healthier alternative to traditional nail polishes.

What's Inside

- Tea Tree Oil & Garlic Bulb Extract: Ingredients which are naturally occurring anti-fungal and anti-bacterial.
- Vitamins C & E: Organic compounds for healthier, stronger looking skin and nails.
- Wheat Protein: Protein which contains amino acids to naturally increase shine.

What's Not

- No Formaldehyde: A chemical that's been proven to cause cancer.
- No DBP: A potential developmental and reproductive toxin that may cause birth defects. It's even banned in Europe.
- No Toluene: A chemical that the EPA restricts in our drinking water; it can cause nervous system disorders and damage to the liver and kidneys.
